SUMMARY

MCA graduate from ABES Engineering College, Ghaziabad, with 6 months of internship experience in full-stack web development. Proficient in developing scalable MERN stack web applications, building RESTful APIs, implementing secure authentication, integrating databases, and creating responsive user interfaces.

PROFESSIONAL EXPERIENCE

Tech Vimal Corp (Noida): Full Stack Developer Intern

Nov 2025 - Apr 2026

- Designed and developed full-stack web applications using the MERN stack.
- Built REST APIs with server-side logic and database integration.
- Developed responsive React.js interfaces with intuitive and user-friendly UI/UX.
- Optimized performance and ensured cross-device compatibility for web applications.

Bangmetric Services (Noida): Servicenow Developer Intern

Feb 2025 - Apr 2025

- Gained hands-on experience with ITSM modules including Incident, Problem, and Change Management.
- Worked on Client Scripts, Business Rules, Service Catalog, Flow Designer, Import Sets, and Transform Maps.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS, Bootstrap

Backend: Node.js, Express.js, REST APIs

Database: MongoDB, SQL (Basics)

Programming Language: JavaScript

ACADEMIC PROJECTS

Expense Tracker Application

- Built secure REST APIs with user authentication using Node.js and Express.js.
- Integrated MongoDB and Mongoose for reliable data persistence and category management.
- Developed a responsive React.js dashboard with dynamic expense visualization charts.
- Used Tailwind CSS, Recharts, Axios, and Vite for a modern, interactive UI.

AI Image Genetaror

- Developed an AI image generator with a dynamic gallery to create, view, and download images.
- Built a responsive React.js frontend using Tailwind CSS, React Router, Axios, and Vite.
- Integrated the OpenAI API to generate images from text prompts via REST APIs.
- Used Cloudinary and MongoDB for optimized image storage and reliable data persistence.

EDUCATION

Master of Computer Applications (2023-25)

ABES Engineering College, Ghaziabad, AKTU University

Bachelor of Computer Applications (2019-22)

Institute of Management Studies, Noida, CCS University
